ScoglieraViva, the International Open-Air Sculpture Symposium, organised by the Municipal Administration of Caorle, returns from 20 June to 1 July 2023. Over the past thirty years, it has transformed the reef of the city of Caorle, in the province of Venice, into a veritable open-air museum.

The presentation to the public and the Inauguration Ceremony will be held on Saturday 1 July at 9 p.m. in Piazza Vescovado. The artists and institutions will be present, the stages in the creation of the works will be recounted through words and images, and at the end of the evening there will be a performance by the French duo TakT.
