ScoglieraViva. Sculpting the Sea is an international outdoor sculpture prize. The theme is free: every artist can freely choose the subject of his/her work, which will be carved on the large rocks of Euganean trachyte in Caorle by the 3 winning artists, selected by the Jury. The works will be made in the days between 21 June and 30 June 2018. The winning artworks will be presented to the public on the evening of June 30 in Caorle's town centre.

The contest sees the awarding of 3 cash prizes of € 2,000 for each of the 3 winning artists. Board and lodging are also included during the stay at the City of Caorle, from 21 to 30 June 2018, for the creation of the work on site.
