Fees: **NO ENTRY FEES!**

sculpture competition, 19th "ScoglieraViva. Sculpting the Sea" organised by MoCA Modern Contemporary Art aims to enrich Caorle's heritage by transforming the cliff into a veritable open-air contemporary art gallery, whose changes will be given by time and natural agents.

ABOUT

The **Cultural Association MoCA** announces the outdoor **sculpture competition** titled "**ScoglieraViva. Sculpting the Sea**" on behalf of the Municipality of Caorle.

This competition is aimed at enhancing the town of Caorle and especially the cliff dividing the Adriatic sea from the town center. The contest, now in its 19th edition, aims to enrich Caorle's heritage by transforming the cliff into a veritable open-air contemporary art gallery, whose changes will be given by time and natural agents. The purpose of this **sculpture competition** is to further enrich "ScoglieraViva. Sculpting the Sea" through the creation of works of art carved on the large rocks of Euganean trachyte posed to defend the town and curb the waves of the sea.

The **theme is free**. Each artist can choose the subject and the theme to be proposed for the enhancement of the cliff "ScoglieraViva. Sculpting the Sea" in Caorle considering that the **winning artists will have to sculpt the proposed work directly on the Euganean trachyte rocks** and that each sculpture can occupy a surface of about **1 - 2 square meters**.

Terms of participation:

Each artist can present his/her own project for a work to be carved on the cliff of Caorle. The project must be accompanied by **at least 1 sketch in scale** and a **descriptive text** that specifies the intervention techniques on the trachyte boulders and the meaning of the work. The artist's curriculum vitae and a portfolio of additional works are also required.

The selection of the submitted projects will be made by an Awarding Jury consisting of prestigious names in the Contemporary Art scene.

The jury will select the **3 winning artists** who will have to implement the project submitted in the **town of Caorle during the event "Scogliera Viva. Sculpting the Sea"**. The time to complete the work is 9 days, from **21 June to 30 June 2018**.

There is **no entry fees** for this competition!

ELIGIBILITY

The competition is open to sculptors from Italy and from all over the world, with no age or sex restrictions of any kind.

PRIZE

1st price: € 2.000

The competition will award 3 cash prizes of **€ 2,000 euro** to each of the **3 winning artists** selected by the awarding jury. The cash prizes will be awarded by the Consortium of Tourism Promotion of Caorle and Eastern Venice, in the week after the awards ceremony.

For each of the 3 winning artists board and lodging are included (only for the winning artist, any accompanying persons are at their own expenses) for the entire period of stay in the **town of Caorle, from 21 to 30 June 2018**, for the creation of the work on site. Each artist must bring his/her own equipment. The following will be supplied: compressor and electric current.

The winning works will be presented to the public on the occasion of the event **"ScoglieraViva. Sculpting the Sea"** to be held on the evening of **30 June 2018** in the **town center of Caorle**.
